Description Dear Thaneesh, Today when I done save search in the sales report screen the report got jammed. Also when we save search from stock valuation after choosing any values in group 1 , this save search cannot be revised, every time we enter this screen this group will be selected by default and we cannot change the save search. Regards, Lukman			

History

#1 - 07/14/2023 11:51 AM - Peer Thanesh

- Assignee changed from Peer Thanesh to Rijas P

Rijas,
It's working from my side.

#2 - 07/14/2023 06:36 PM - Ijas Ahammed

- Status changed from New to Resolved

Please check now. The issue is regarding screen preference for that particular user. Removed the screen preference and it's working fine now.

#3 - 09/23/2023 11:09 AM - Rijas P

- Status changed from Resolved to Closed

Fixed

#4 - 05/21/2024 04:05 PM - SHAIJAL EDAVANA

- Tracker changed from Bug to Tasks
- Project changed from Euro Novelties to Temp Projects
- Category deleted (Others)
