Description

Dear Suhail,

Regarding Item PP3433, already have transactions with the the Uom "Carton", but we need to inactivate this and active "Carton 1". But the inactive button is blocked, How can we do this?.

We did this to block setting uom inactive when pending orders or qnty hand exists .If no pending orders or qnty oh hand zero should be able to make uom inactive

@savad please raise an enhancement ticket to implement the changes in uom conversion inactive logic

It should look for any pending transactions with the particular uom, not the stock on hand of the item
