Description

Dear Ijaz,

As we discussed, unable to receive payment more than balance of customer.

If customer balance is 1400, customer paid 2000, [600 for next invoice advance], then if we enter 2000 on payment only 1400 will be completed balance showing as refund.

Yes. Not working in all cases.

Should be able to disable the refund excess payment option. If not working please report it.
