

Temp Projects - Tasks #5140

Need to remove Carton price

12/23/2021 01:02 PM - Rijas P

Status:	Closed	Start date:	12/23/2021
Priority:	Immediate	Due date:	
Assignee:	Shemil Ali	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	1.00 hour
Description As per the checking, found some items have Wrong Carton price and in PO the unit price is calculating by dividing from Carton price. In our case, we don't have Carton price concept, all our items have only unit price, and if system updates Carton price it should be the Unit price X Divide rate. So kindly remove all wrong Carton price from " Dollar Price List".

So kindly remove all wrong Carton price from " Dollar Price List".

Deleted these prices from central and mini server. Cant connect to backup

```
euro=# delete from m_productprice where c_uom_id =1000000 and m_pricelist_version_id in (select  
m_pricelist_version_id from m_pricelist_version where m_pricelist_id=1000003);;  
DELETE 486
```

```
posiboltdb=# delete from m_productprice where c_uom_id =1000000 and m_pricelist_version_id in (select  
m_pricelist_version_id from m_pricelist_version where m_pricelist_id=1000003);;  
DELETE 486
```

@Admins, please run the same sql in backup when the connection is there

Santheer

Please do the needful.

Sharil

#3 - 12/23/2021 03:27 PM - Anonymous

query has been ran on euro backup

```
eurobackup=# delete from m_productprice where c_uom_id =1000000 and m_pricelist_version_id in (select  
m_pricelist_version_id from m_pricelist_version where m_pricelist_id=1000003);;  
DELETE 486  
eurobackup=# delete from m_productprice where c_uom_id =1000000 and m_pricelist_version_id in (select  
m_pricelist_version_id from m_pricelist_version where m_pricelist_id=1000003);;
```
